(2) Our school's measures for creating an inclusive learning environment included (one or more options can be selected)#:

☑ Organising activities which promote cultural integration/raise sensitivity to diverse cultures and religions (please specify):

Organise inclusive activities which promote Chinese culture such as experiencing traditional Chinese skills.

☑ Providing opportunities for NCS students to learn and interact with their Chinese-speaking peers in school or outside school (e.g. engaging NCS students in uniform groups or community services) (please specify):

1. Under this scheme, every NCS student and Chinese-speaking student is assigned a specific duty within their classroom—such as Subject Monitor, Group Leader, Energy Saving Ambassador, or Hygiene Captain. By serving one another, students actively put teamwork into practice and foster a strong sense of class unity and cohesion.
2. Multicultural Interest Classes for NCS Students
A diverse range of learning activities is specially arranged for NCS students. Through hands-on experiences with Chinese handicrafts, traditional paper-cutting, and the making of classic Chinese snacks, students gain a deeper understanding and appreciation of Chinese culture.
3. Visit to Tai Kwun: Through the vivid historical heritage and diverse cultural exhibitions within Tai Kwun, students will not only deepen their understanding of Hong Kong's history, but also foster social connections and a sense of belonging by exploring the stories of local ethnic minority communities.

☐ Other measure(s) (please specify):

(3) Our school's measures for promoting home-school cooperation with parents of NCS student(s) included (one or more options can be selected)#:

☑ Interpreting/Translating for parents information about school policies/school circulars/ school webpage, etc.

☑ Discussing the learning progress (including learning of Chinese) of NCS student(s) with their parents on a regular basis, as well as explaining and emphasising the importance for their children to master the Chinese language as appropriate

☑ Providing parents of NCS student(s) with information on school choices/further studies/career pursuits for their children

☑ Other measure(s) (please specify):

Organizing Parent Seminars: To empower parents with practical strategies for creating a supportive Chinese language learning environment at home and inspiring their children's interest in learning Chinese.

[#: The support measures mentioned in Parts (1) to (3) above are for reference only. Depending on the different learning progress and needs of NCS student(s) of each school year, as well as allocation of school resources, our school will adjust the support measures concerned.]
